# NOW ENROLLING! ADULT SMALL GROUP VOICE & MUSIC CLASSES

## TAUGHT BY ELENA DEANGELIS

Are you interested in learning about your singing voice in an intimate group setting?

Or perhaps  
Music reading?  
Music history?  
Song study?

No pressure, just fun.

**Elena DeAngelis** SOPRANO | ACTRESS | VOICE TEACHER

In March of 2020 when my private studio was forced exclusively online, I tried to keep things interesting for my students—and me! I offered a series of group lesson options for my studio, kids through adults. By popular demand I am now expanding my studio to offer intimate group classes where all are welcome, no prior experience needed... Sense of humor encouraged!

Firm class days and times have not been set yet for the Vocal Health Bootcamp. We will meet during the week before 2pm. I would like to be able to find a time that seems to work well for the majority interested. Multiple sessions can be offered.
